PRE-LICENSE

Register using this form: We will contact you to confirm your registration. Pre-license training classes consist of several hours of instruction followed by an exam session for those interested in obtaining the Private Applicator license. The license fee, which is expected at the time of testing, is \$33. A WPS Handler Training Verification Card is available upon request.

WSDA sponsored clases are free of charge. Participants should obtain and study the Spanish Private Applicator Manual (MISC0126S) **prior** to the course. To purchase the manual (\$16.50 + tax & shipping) contact your local WSU Extension office or call WSU at 1-800-723-1763.

WPS HANDS-ON TRAINING FOR PESTICIDE HANDLERS

Registration is through the sponsor. Do NOT register with WSDA!

This eight hour workshop is offered in Spanish & English and has been specially designed for unlicensed pesticide handlers on how to handle pesticides safely and efficiently. However, it also provides an additional training opportunity for licensed individuals. The workshops provide practical, hands-on training. This training exceeds state and federal training requirements of the Worker Protection Standard (WPS). WPS Handler Training Verification Cards are issued. Six (6) credits are offered for licensed individuals.

Fee is payable to the sponsor only and is normally \$50 per person. Please indicate the language preference (English or Spanish) at that time.

For more information regarding bringing the Hands-On Training Program to your farm, please contact Flor Servin 509.662.0590 or fservin@agr.wa.gov or Ofelio Borges 509.249.6939 or oborges@agr.wa.gov.

TRAIN the TRAINER

Registration is through the sponsor.
Do NOT register with WSDA!

This one-day workshop in Spanish & English is designed to help trainers of agricultural establishments to effectively deliver pesticide safety training for pesticide handlers and field workers as mandated by the state and federal Worker Protection Standard (WPS).

Participants will rotate through four training modules and learn what topics need to be covered along with effective training methods.

Participants that go through the mock training at the end of the workshop will become WSDA Certified Trainers and will be qualified to issue WPS worker and handler training verification cards.

Six pesticide license recertification credits will be offered for licensed individuals. A certificate of completion and EPA training materials will be issued.

For additional information, please contact: Flor Servin at 509.662.0590 or fservin@agr.wa.gov or Jamie Ramon at 509.585.1545 or jramon@agr.wa.gov.

Fee is payable to the sponsor only and is approximately \$35 per person. Please indicate the language preference at time of registration (English or Spanish).
